PROFESSIONAL SUMMARY

Computer Science graduate with hands-on experience in building data-driven and web-based applications. Skilled in Python, SQL, and full-stack development using Django and MongoDB. Strong interest in Product Management and data-driven decision-making, with proven ability to develop practical solutions that improve efficiency and user experience.

TECHNICAL SKILLS

- **Programming:** Python, JavaScript, HTML, CSS
- **Frameworks & Tools:** Django, Express, MongoDB, Power BI, Excel
- **Data & Analytics:** SQL, Data Cleaning, Dashboarding, KPI Analysis
- **Core Concepts:** DBMS, API Integration, CRUD Operations
- **Soft Skills:** Problem Solving, Communication, Team Leadership

PROJECTS

Teacher's Desk – QR-Based Attendance System (Django, MongoDB, Python)

- Built an automated QR-based attendance system with time-restricted validation
- Reduced manual effort and improved attendance tracking efficiency
- Designed scalable MongoDB database for handling real-time attendance data

Career Clarity Platform (Python, Logic-based System)

- Developed a quiz-based system to recommend career paths based on user inputs
- Implemented logic-driven analysis to simplify decision-making
- Focused on user-friendly interface and structured output

Salary Insights Dashboard (Power BI, Excel)

- Created an interactive dashboard to analyze salary trends and KPIs
- Performed data cleaning and transformation for accurate reporting
- Reduced manual reporting effort through automation

EXPERIENCE

Graphic Design Intern – Hynes Infratech

Aug 2025 – Sep 2025

- Designed social media and marketing creatives using Canva and Adobe Creative Suite (Photoshop, Illustrator, CorelDRAW, InDesign)
- Collaborated with team to align designs with branding requirements

Cloud Computing (AWS) Intern – DigiLearning Tech

Dec 2025 – Mar 2026

- Worked with AWS (EC2, S3) for basic deployment and hosting
- Learned fundamentals of cloud infrastructure and scalability

EDUCATION

Bachelor of Science in Computer Science

University of Mumbai

Expected: May 2026 | SGPA: 8.9/10

ACHIEVEMENTS

- Selected among 12 lakh+ participants for My Bharat Budget Quest 2026; represented Mumbai, Maharashtra in Youth Dialogue with Hon' Prime Minister
- State-Level Finalist – Speech Competition (Top 3 among 50+ colleges)
- Two-time Winner – MU Avishkar Research Convention
- Recognized for strong public speaking and presentation skills
- Delivered 30+ presentations across academic, technical, and public platforms, including hosting, project demonstrations, and formal presentations
